INTRODUCTION

Hospitalization, surgery and accompanying medical expenses are at an all time high. Many students are not prepared to meet the added cost of an unexpected Accident or Sickness. Costly medical bills can impose tremendous hardship, and even necessitate withdrawal from school. The College is concerned with the health and well being of its students. Student Fixed Indemnity Accident and Sickness insurance is designed to provide low-cost coverage for unanticipated medical expenses. Please read the provisions of this insurance plan carefully.

ELIGIBILITY

All full-time students enrolled for a minimum of 12 credit hours are automatically and mandatorily enrolled by Blackburn College. The insurance premium is included in the Blackburn College cost for full-time students enrolled in 12 or more credit hours.

TERM OF COVERAGE

The policy for the current year becomes effective on 8/20/13 at 12:01 a.m. and expires on 8/19/14 at 12:01 a.m. Coverage remains in effect during holiday and vacation periods. Should an Insured person graduate or withdraw from the institution, the insurance shall remain in effect until the end of the period for which premium has been paid.
