ELIGIBILITY

Under University Policy, all full-time UMDNJ Post Doctorate students are required to be covered by health and accident insurance. The University, in conjunction with University Health Plans, Inc. and Aetna Student Health, have developed a Post Doctorate Student Health Insurance Plan that fulfills the UMDNJ insurance requirements.

Rutgers University Graduate Fellows who have been awarded a prestigious and full competitive fellowship from external sources and will be on campus during the coming year may be eligible for single health insurance coverage. The Graduate School Dean's Office will make final determinations as to individual eligibility. Coverage for eligible

Post Doctorates and Graduate Fellows will become effective upon receipt of the completed Enrollment Form, and will continue for the term of the fellowship or retention. Rutgers part-time teaching assistants and graduate assistants (TA/GAs) are also eligible under this plan which is determined by the Department of Risk Management & Insurance Office.

STUDENT ENROLLMENT

All full-time UMDNJ Post Doctorate students will need to complete an Enrollment Form to be submitted to the Risk & Claims Office.

Eligible Rutgers Part-Time TA/GAs will need to complete an Enrollment Form to be submit to the Rutgers University Human Resource Office.

Mid-Year Enrollment: You may enroll after the deadline date only if there has been a significant life change (i.e., marriage, birth, loss of prior coverage). If the Enrollment Form is submitted after the 31 days of the qualifying event, coverage will be backdated to the date of the qualifying event. If the Enrollment Form is submitted after the 31 days of the qualifying event, it will not be accepted. The student or dependent(s) will have to wait until the next annual open enrollment period to enroll. The completed Enrollment Form should be submitted directly to your university's office along with required documentation.

GENERAL PROVISIONS

STATE MANDATED BENEFITS

The Plan will pay benefits in accordance with any applicable New Jersey State Insurance Law(s).

Coordination of Benefits

If the Covered Person is insured under more than one group health plan, the benefits of the plan that covers the insured student will be used before those of a plan that provides coverage as a dependent. When both parents have group health plans that provide coverage as a dependent, the benefits of the plan of the parent whose birth date falls earlier in the year will be used first. The benefits available under this Plan may be coordinated with other benefits available to the Covered Person under any auto insurance, Workers' Compensation, Medicare, or other coverage. The Plan pays in accordance with the rules set forth in the Policy.

EXTENSION OF BENEFITS

If Basic Sickness Expense, Supplemental Sickness Expense coverage for a covered person who has been insured for at least 3 months ends while he is **totally disabled**, benefits will continue to be available for expenses incurred for that person, only while the **covered person** continues to be **totally disabled**, until the policy terminates or premium is not paid.

TERMINATION OF INSURANCE

Benefits are payable under this policy only for those Covered Expenses incurred while the policy is in effect as to the Covered Person. No benefits are payable for expenses incurred after the date the insurance terminates, except as may be provided under the Extension of Benefits provision.

TERMINATION OF STUDENT COVERAGE

Insurance for a **covered student** will end on the first of these to occur:

- (a) the date this Policy terminates,
- (b) the last day for which any required premium has been paid,
- (c) the date on which the **covered student** withdraws from the school because of entering the armed forces of any country. Premiums will be refunded on a pro-rata basis when application is made within 90 days from withdrawal,
- (d) the date the **covered student** is no longer in an eligible class.

If withdrawal from school is for other than entering the armed forces, no premium refund will be made. Students will be covered for the Policy term for which they are enrolled, and for which premium has been paid.

TERMINATION OF DEPENDENT COVERAGE

Insurance for a **covered student's dependent** will end when insurance for the **covered student** ends. Before then, coverage will end:

- (a) For a child, on the first premium due date following the first to occur of:
 - (1) the date the child is no longer chiefly dependent upon the student for support and maintenance,
 - (2) the date of the child's marriage, and
 - (3) the child's 31st birthday,
- (b) The date the **covered student** fails to pay any required premium.
- (c) For the spouse, the date the marriage ends in divorce or annulment.
- (d) The date **dependent** coverage is deleted from this Policy.
- (e) For a domestic partner, the earlier to occur of:
 - 1) the date this Policy no longer allows coverage for domestic partners, and
 - 2) the date of termination of the domestic partnership. In that event, a completed and signed declaration of Termination of Domestic Partnership must be provided to the Policyholder.
- (f) The date the **dependent** ceases to be in an eligible class.

Termination will not prejudice any claim for a charge that is incurred prior to the date coverage ends.

INCAPACITATED DEPENDENT CHILDREN

Insurance may be continued for incapacitated **dependent** children who reach the age at which insurance would otherwise cease. The **dependent** child must be chiefly dependent for support upon the **covered student** and be incapable of self-sustaining employment because of mental or physical handicap.

Due proof of the child's incapacity and dependency must be furnished to Aetna by the **covered student** within 31 after the date insurance would otherwise cease. Such child will be considered a **covered dependent**, so long as the **covered student** submits proof to Aetna at reasonable intervals during the two (2) years following the child's attainment of the limiting age and each year thereafter, that the child remains physically or mentally unable to earn his own living. The premium due for the child's insurance will be the same as for a child who is not so incapacitated.

The child's insurance under this provision will end on the earlier of:

- (a) the date specified under the provision entitled Termination of Dependent Coverage, or
- (b) the date the child is no longer incapacitated and dependent on the **covered student** for support.

CONTINUATION OF COVERAGE

Under certain circumstances, a Covered Student and their Covered Dependents may be eligible for Continuation of Coverage under this Plan. Students presently enrolled in the UMDNJ Post Doc Rutgers Fellows Student Health Insurance Plan who loses their eligibility for the Plan through graduation or otherwise leaving school are eligible to continue their coverage by enrolling in the UMDNJ Post Doc Rutgers Fellows Continuation Plan.
