

UIS Global Student Health Insurance

How Your Plan Works at the UIS Student Health Services

1 The UIS Global Student Health Insurance Plan has a Student Health Center Benefit

- UIS Student Health Services claims are paid at 100% for covered medical services
- The plan deductible, copays and coinsurance are waived

2 Not All Services are Submitted to Your Insurance

- UIS Student Health Services will not submit claims to Wellfleet for you
- When you access care from the UIS Student Health Clinics, you will be required to pay out of pocket at the time of your visit and then submit a claim form to receive reimbursement from Wellfleet

3 Wellfleet Claim Form & Reimbursement Process

- Ask the UIS Student Health Services for a receipt of payment
- Complete the Wellfleet Claim Form
- Mail the completed Claim Form and a copy of your receipt to Wellfleet for reimbursement to:
PO Box 15369
Springfield, MA 01115-5369

4 Questions?

- If you have questions about the Student Health Center benefit, claim form, and/or reimbursement process, please contact:
