

UnitedHealthcare Global Travel Assistance Services

Emergency contact information for school administrators

Students who require support during their travels can rely on the UHC Global travel assistance services for any medical or travel-related concerns. ***It is essential to note that all services must be arranged and provided by UHC Global.*** Information regarding repatriation and medical evacuation benefits can be found in your student health insurance plan certificate.

Services can be accessed by contacting UHC Global.

When calling the Emergency Response Center, the caller should be prepared to provide the following information:

- Caller's name, telephone and (if possible) fax number, and relationship to the Insured Person
- Insured Person's name, age, sex, and ID Number as listed on the Insured Person's Medical ID card
- Description of the Insured Person's condition
- Name, location, and telephone number of hospital, if applicable
- Name and telephone number of the attending physician
- Information on where the physician can be immediately reached
